☐ CHECK Here if you wish to Upgrade your listing, add a category to your online listing or be contacted regarding advertising on your Chamber website.

The Benefits of Membership

Website Presence: Our website enables you to maintain your own business listing, update or change it whenever you like. With your standard membership you receive the following:

- Business Listing on our website under one business category (**additional categories** available for \$25/year each)
- 300 character description of your business (**upgraded listings** offer 1500 characters)
- 1 image (additional images may be uploaded when you **upgrade your business listing**)
- Special offers – you may offer member to member specials.
- Job Posting – post jobs that you have available

Additional benefits:

- Access to member to member Special Offers (when you are logged into the website)
 - Local and BC Chamber special Benefits – call our office or check the website for details
 - Ability to advertise on our website (rates are listed on the website)
 - Opportunity to display your rack cards in the Visitor Information Centre and be promoted by Visitor Centre Counselors
- Networking, After Hours Mixers, Community Events, Advocacy, Education, Coaching and Support for your success

Upgrade Your Business: For an additional \$150/year you may upgrade your website business listing to include: a picture gallery, 1500 character description, FEATURE designation that moves your listing to the top of your category (rotates with other FEATURE businesses in your category), and up to 3 additional categories.

IMPORTANT! Check your online business listing it should represent your organization the way that you want it to – call us if you need our assistance.
